Quotes:

“I have had the pleasure of knowing the applicant for 2 years. During these years, I have seen her in a variety of capacities-- student, leader, friend-- and she is extraordinary in all of these roles. As her peer, I have seen how strong and adaptable the applicant is, and how she is able to take the life experiences that she has gone through and use it to her advantage.” **Hannah Cho** - Student President

“I would like to take this opportunity to sincerely thank you. I am truly honored and thankful to have received this recognition from the Anchor Scholarship Foundation. As a Biochemistry and Cell Biology major, I hope to use this degree as a platform for my graduate plans of attending medical school. I have a long road ahead of me, but with generous scholarship sponsors such as yourselves, I am that much closer to reaching my goals. Thank you again for this amazing opportunity.” **Anna**
