

STEEL TOWER SYSTEM

12' TOWER*

8' TOWER

4' TOWER

STEEL TOWER FEATURES

The Steel Tower System mounts to any Banks Outdoors hunting blind. Equipped with 12-gauge steel, this tower system can accommodate any hunting situation. The easy to assemble design allows it to be erected in the field. An Anchor Kit is available for purchase for increased stability.

Attaches to all Stump blind models for easy elevation.

Handrail provides added safety for ladder.

Textured ladder steps help ensure safe entry and exit.

Adjustable foot anchor plates safely secure your tower to the ground.

*12' TOWER IS NOW SOLD AS 8' TOWER +4' EXTENSION KIT
