

Motions for NRAI AGM

Motion 1: Proposed/Seconded by NRAI NEC

NRAI F Class League Rules

1. All NRAI members in good standing who have paid their MNSCI annual membership fee are eligible to participate in the league. The F Class annual league fee of €100 (covering all f class leagues and sporting league) or a daily match fee of €20 must be paid in advance
2. The league shall normally consist of six qualifying rounds and a final.
3. The winner of each round shall be allocated 20 points and ascending points awarded to the next placed competitors
4. Only those members who have completed 4 rounds of the league shall be allocated points.
5. Each round of the league will normally be held over two distances from 800, 900 to 1,000 yards with 2&15 shots to count for scoring. Paired shooting format (alternate shots)
6. The league final will be held over three distances 800 and 900 yards where 2& 15 shots will count and 1,000 yards where 2& 20 shots will count. Paired shooting
7. Any issue or discrepancy arising over scoring or rules must be brought to the attention of the RO immediately.
8. Score cards must be signed by competitor and marker. Unsigned cards will be discarded
9. The league winner shall be decided by adding the accumulated score at the three final distances to the total points awarded in four qualifying rounds of the league.
10. Medals will be awarded to the competitors who are placed first, second and third in the league. In the event of tied scores the competitor with the highest V count shall be the winner. If scores and V count are tied, a count back will take place.

Motion 2: Proposed/Seconded NRAI NEC

Sporting Rifle League Rules

1. All NRAI members in good standing who have paid their MNSCI annual membership fee are eligible to participate in the league. The F Class annual league fee of €100 (covering all f class leagues and sporting league) or a daily match fee of €20 must be paid in advance
2. The league shall normally consist of six qualifying rounds and a final.
3. The winner of each round shall be the competitor who achieves the highest score
4. Only those members who have completed 4 rounds of the league shall be eligible to compete for medals in the final
5. Each round of the league will normally be held over two distances between 300 to 600 yards with 2&10 shots to count for scoring. String shooting format.
6. The league final will be held over two distances from 300 to 600 yards where 2&10 shots will count. String shooting
7. Any issue or discrepancy arising over scoring or rules must be brought to the attention of the RO immediately.
8. Score cards must be signed by competitor and marker. Unsigned cards will be discarded
9. The league winner shall be decided by adding the accumulated score at the final distances to the highest total scores awarded in four qualifying rounds of the league.
10. Medals will be awarded to the competitors who are placed first, second and third in the league. In the event of tied scores the competitor with the highest V count shall be the winner. If scores and V count are tied, a count back will take place.

Motion 3: Proposed/Seconded NRAI NEC

Rules for NRAI Team Training and selection.

Draft document will be available at AGM
