2022 East Texas Peace Officers Association Conference

ETPOA.org to register for Conference

In 1951 Sheriff Frank Brunt of Cherokee County hosted a group of East Texas Sheriff's, Chiefs of Police, State and Federal agents at the Second Judicial Court in Rusk, Texas. From that humble meeting the E.T.P.O.A. was formed. What began as a simple meeting of a few East Texas Lawmen has evolved into a yearly training conference held in different parts of the East Texas Region. In addition to training, multiple scholarships are awarded to college bound youth from East Texas. The ETPOA can boast as one of the oldest regional associations in East Texas.
