WHAT ARE PEOPLE SAYING ABOUT BEATITUDES OF OUR LORD SCHOOL?

A parent said:

"Beatitudes School offers an academically advanced education in a safe, loving environment. Teachers and staff are excellent and care not only about my children's academic growth, but their social and spiritual growth, too. My kids have been at this school for 7 years, and will be here for 11 more!"

--Kathy (mother of 3 students and 1 future student)

A student said:

"Beatitudes of our Lord school means that there are good teachers. It is the best school and I feel happy and safe. I like my school because my firends play with me at playtime. I like to pray to God every day."

--Michael (1st grade)

A teacher said:

"While being a student here, I recognized that the Beatitudes faculty was first rate in all they did. As a current faculty member, I have come to realize that the same can be said for the Beatitudes students."

--Anthony Kocal (Class of 2002 and faculty member)

"Train up a child in the way he should go, And when he is old he will not depart from it." Proverbs 22:6
