

PRODUCT DATA SHEETS

POWER STROKE – FORTIFIED PENETRATING LUBRICANT

DESCRIPTION

Power Stroke is a non-flammable powerful, multiple-action penetrant and protective shield that can be used on either dry or wet surfaces. It is used to clean and lubricate industrial equipment, business machines, electric motors, shafts, guns, sporting goods, tools, saws, drills, vending machines, locks, hinges, bearings, conveyors, pulleys, nuts, bolts and rusted or corroded parts. It will free any components that slip, rub, roll, move, turn, twist or pivot. To ensure adequate protection, periodic checks should be made to determine the need for reapplication.

FEATURES

- **NON-FLAMMABLE**
- **NON-CONDUCTING**
- **FREES NUTS & BOLTS**
- **REMOVES MOISTURE FROM IGNITION WIRES**
- **STOPS CORROSION ON BATTERY TERMINALS**

USE AND DIRECTIONS

Spray liberally directly on area to be treated. Reapply periodically as required. See product label for complete directions.
