Swimming Pool

Open June 15 - Labor Day

Our pool is a 30' x 65' outdoor, heated facility. It has a constant sloping depth from 8' - 3' and is equipped with 2 water slides (6' tall) and an ADA Hoyer Lift - no diving boards (lifejackets are available for a few younger guests). You can provide your own certified lifeguard for scheduled pool times, or hire one of ours.

Archery

Practice your skills on the range. Guests are welcome to provide their own adult facilitator after a quick orientation with a CAW staff member, or hire a CAW staff member to facilitate their time.
