

Terms & Conditions for Splash Paws.

- Your Health and Safety whilst visiting Splash Paws is very important to us, during your initial session you will be made aware of all the safety requirements. It is your responsibility to ensure that the instructions you are given are followed.
- Whilst every care is taken in the provision of treatment and the care and maintenance of the water and the equipment used, all dogs attending and undergoing treatment, do so entirely at the owner's risk.
- Please be aware that physical exercise with the pressure of the water on the chest and abdomen can put stress on your dog's cardio respiratory functions. If there is an undiagnosed cardiac or respiratory condition your dog could be at risk. Whilst all due care will be taken, if your dog has a diagnosed or undiagnosed spinal condition, there is a possibility their condition could be worsened by hydrotherapy.
- Please wear suitable non-slip clean footwear, as the floor may be wet around the pool area.
- **All dogs must have a signed veterinary referral before we can commence treatment.**
- All dogs must have up to date vaccinations before treatment commences and we must see the certificate.
- Dogs with infectious or contagious conditions will not be able to swim, please ensure that any sessions are cancelled with at least 24 hours notice. **This also applies to bitches in season.**
- Flea treatments must not be administered on the day or day before your dog swims.
- All treatment is to be paid for on the day of the treatment session or in 10 block treatment session plans in advance (plans must be used within 6 months of payment and not refundable once the plan has started).
- **Treatment sessions that are cancelled or missed with less than 24 hours notice will be charged in full.**
- **Only the dog being treated can be brought to Splash Paws. Please do not leave any dog unattended in a parked car.**
- Any children brought to Splash Paws, must remain with the accompanying adult at all times.
- Splash Paws reserves the right to use any still or video photography taken during the sessions as it requires. If you wish to use any photographic equipment, please notify us before the start of the session.

It is the owner's responsibility to:

- Ensure that your dog has NOT been fed for at least **3 hours** before the start of their session. DO NOT feed your dog for at least **1 hour** after their hydrotherapy session.
- Ensure that your dog HAS toileted before swimming, as defecation in the pool will incur an extra charge of £20, as the pool will have to be shut down and thoroughly cleaned before the next dog can use it.
- Ensure that if your dog is on medication, we are fully aware and that your appointment time does not clash with the time of medication.
- Ensure that if your dog's health changes in any way before an appointment, we are made aware as early as possible prior to your dog attending.
- Ensure that you act responsibly as a dog owner and clean up any mess into the bin provided.
- Ensure that your dog is kept on a lead and under control at all times before and after the hydrotherapy session.
- Ensure that you arrive on time for you appointment. Up to 10 minutes late, we will start your session but it will have to finish on time. Over 10 minutes late, we will do our best to fit your session in, however, this may not always be possible. In either case the full session charge will still apply.

Please also note:

- Splash Paws cannot be held responsible for any loss or damage to any vehicle or personal property while on the premises.
- Please park on our driveway, so that you can safely unload your dog, if you require assistance, please ask.
- Please do not park on the pathways or block our neighbour's driveways.
