

Remembering Audrey with love...

A pillar of the AIAA club, Audrey remained dedicated
Spending time daily, to keep the records neatly updated
Having everything under control, counted and written on slips
Being frail, did not deter her, from organizing Bingo and Trips
Stopping to sit on someone's lap, when the bus ride got rough
Clear headed and staying calm, when any situation got tough
A support for many years, Audrey would ring around to check
Making sure events went ahead, with enough members on deck
Working closely with Rodney in the background, with her petite frame
Sharing special friendships with so many, she could remember & name!
Loved to wear matching accessories, in her simple, comfortable, style
Faithfull in her service, Audrey never hesitated, to go that extra mile!

Rest in Peace, Dearest Audrey!

Active Understanding Devoted Reliable Earnest Young at heart!

*May Audrey's legacy of commitment and dedication
Continue to be an inspiration, to our Anglo Indian Association*
