

1905 SHELLY DRIVE

PITTSBURGH, PA 15216

Dear Business Partner:

Seven years ago, a group of friends from Brentwood created the Duttine-Cavataio Fund in response to the untimely deaths of two Brentwood High School alumni. Tom Cavataio suffered from Crohn's Disease and ultimately developed Colon Cancer and Julie Andrulonis Duttine fought a courageous 11 year battle of adenoid cystic carcinoma.

In February 2012, the first **Drop the Puck on Cancer Hockey Tournament** was held at Brentwood Park to raise money for the families devastated by the loss of their loved ones. The community rallied, and the event was a tremendous success. The tournament is now held annually to assist cancer victims and their families from Brentwood. With each year the proceeds raised has increased. Thus far, we have collected close to \$310,000.

The 7th Annual Drop the Puck on Cancer Hockey Tournament will be held on April 14, 2018 at Brentwood Park. We are asking all our business partners for your continued support. We need goods and services for the day such as food items, beverages, condiments and baked goods. For our extensive Chinese Auction, we are in need of gift basket items, service certificates, and travel vouchers, to name a few. Any donation you can make is greatly appreciated. As an additional sponsorship option, you can purchase a sign (of varying sizes and rates), which will be prominently displayed at the tournament. Last year, Spartan Pharmacy stepped up with a pledge to "Match What We Make in an Hour." If you are interested in participating in that challenge, we will gladly add your name to the sponsorship.

For more information about:

DONATIONS: Please contact Jodi Mitchell at 412-848-4331 or jodi@drothepuckoncancer.com

SIGN SPONSORSHIP: Please contact Mark Harkins at 412-818-6468 or mark@drothepuckoncancer.com

HOCKEY TEAMS: Please contact Ryan Trimbur at 412-596-6465 or ryan@drothepuckoncancer.com

We are a 501(c)(3) non-profit charitable organization. Our mission is to help as many Brentwood families affected by cancer as possible. Your donation will have a direct impact on our community. Together we can make a difference, because no one fights alone.

You can learn more about this year's event on our website: www.drothepuckoncancer.com.
