SUBJECT: 2016 VAFEPA George H. Irby, Sr. Incentive Grants

The Virginia Association of Federal Education Program Administrators (VAFEPA) will be awarding \$500.00 incentive grants this spring. These awards are given annually in honor of Mr. George H. Irby, Sr., a former Virginia Department of Education Director of Compensatory Programs.

One grant application from a Title I school in each of the eight superintendents' regions will be selected. A committee of VAFEPA representatives will review the incentive grant applications. As indicated on the application form, these funds must be used to support the academic achievement of students receiving Title I services and/or to enhance the involvement of their parents/families in the academic process. Attached is a summary of the grants awarded in 2015.

Grant award recipients will be notified in June of 2016, a check will be sent to the winning school, and winning entries will be highlighted on our website, www.vafepa.org. Please complete the attached application and return it electronically to Jennifer Hurt, jhurt@bvps.org. If you've won in the past, please do not submit the same grant again. **All applications are due by April 10, 2016.**

Thank you for all that you do to support quality educational opportunities for all children. If you have any questions regarding this process, please feel free to contact me at jhurt@bvps.org.
