

We are pleased to announce the selections for SAGA Volume V.

Our editors have worked tirelessly to put together a collection which would reflect the voices and talent within our community. These are the poetry and prose which stood out to us, shocked us, and moved us; the pieces which stayed with us long after the first read. I am pleased to announce our fifth volume and humbled to have been trusted as Managing Editor of this unique journal.

Emily Thompson
Managing Editor
SAGA Literary Journal
