

Long time, no see!

During the Welcome Back process, we are adding a number of operating and sanitation procedures with the intention to protect everyone's safety. We kindly ask you to adopt our new guidelines for your next scheduled session. We appreciate your cooperation as we continue to work to keep ALL of us safe and healthy during this time.

Arrival: We ask that you **wait in your vehicle or outside** by the picnic table until your therapist comes out to greet you at your appointment time. We ask that you **do not bring anyone with you** to your session unless you are accompanying a minor. If you need another person to accompany you, we ask that they wait in your car during the session.

Masks: Employees and clients will be **required to wear protective facemasks** in all common areas. **We will have masks available** should you need one.

Washing Hands: Clients will be expected to **wash their hands upon entering the office**. Employees will be washing their hands between clients and throughout the workday.

When to Reschedule:

- **Travel:** Have you or someone you live with travelled domestically or internationally in the last 14 days?
- **Feeling Ill:** If you have a fever, cough, or feel ill, we ask that you reschedule your session.
- **Exposure to CV19:** To the best of your knowledge, have you been exposed to someone who has been diagnosed with Covid-19 in the past 14 days?

Amenities: We will temporarily be unable to offer the toy area.

Touchless Transactions: Touchless transactions will be used for all card users. There will be no need to sign your credit card slip and a receipt can be emailed to you.

We appreciate your patience as we work to keep all of us safe and healthy during this time.

Thank you!
