KROTO FINE ARTS

ABOUT US

Kroto Fine Arts brings you trend setting editions from the finest artists and creatives working today.

With a catalogue of 40,000 titles, over 200 licensed artists, and an in-house creative team capable of illustrating any and every style imaginable. Kroto Fine Arts is the perfect source for your trade design projects.

Kroto Fine Arts gives creative product solutions and project management from concept to completion. No matter what your budget, we will assist with plans, review, establishing the overall art concept, and curate a unique and personal collection. Our highly professional team then prints, packages and ships your custom art on time, and on budget.

From the smallest seaside boutique hotel, to the largest hospitality development project, we deliver the fine art experience that helps make your next project a success.

HAND EMBELLISHING

Our in-house studio artists will take your curated collection of artwork and add layers of real paint, stylized brushwork, and mixed media highlights that turn your reproduction into a completely original piece. The end result is artwork full of vivid colors and exceptional depth.

Hand signed, museum quality, fine-art embellished artwork is collected by the many experienced art patrons and will continue to hold a greater investment value than any open edition art print.

ADD THE FINISHING TOUCHES

Our talented in-house artists offer the following hand embellishments.

- Hand applied gold and silver leaf
- Acrylic gloss coats that highlight palette knife and brush strokes
- Original layers of lush acrylic and thick oil paint
- Hand drawn charcoal, graphite, and color pastel line-work
- Spray painted accents - street art style or over hand-cut stencils
