

President's Message

October 30, 2023

Well CCT folks, our last official rally and Hoorah is in the books. What a great time we had. It was such a good time meeting new people and reuniting with the rest.

I got a lesson on many different aspects and history of the club, including the beginning, middle and now the end. More importantly everyone thought it was time and the official organized club had run it's course. And what a nice run it was.

I wish I could have been a part of the earlier years. One thing everyone agreed on was to not let our wonderful friendships go away. Overwhelmingly, everyone wants our mini rallies to continue. Some folks even throwing out ideas before we left. So, to keep the promise we all made to each other let's keep the party going. Send out a message if you are planning on setting up camp someplace with enough room for some close friends.

For the final time, thanks for attending our wonderful rally. Thanks to the people that made it happen (which is close to everyone). We will see each other again.....soon.
