

CAPABILITIES STATEMENT

In Healthcare environments, art promotes healing and reduces stress. In Commercial environments, art creates a lasting positive impression on clients, shareholders, and prospective employees.

We have an extensive team of consultants, framers, wayfinding signage and installers. Whether it is for Healthcare, Corporate, Residential, or Commercial environments, we can quickly adjust and respond to urgent requests and changes to deadlines.

KJ Scally Art and Framing Services:

- Articulation of project goals and scope in collaboration with site project manager and design team
- Custom framing
- Placement and wall design, development of budget and installation schedule
- Art consulting, selection, and procurement to create new collections or revitalize existing ones
- Shipping, delivery, and installation
- Wayfinding signage experts
