SUBJECT: Decry 16th Level #10 Earth Transformation & Hue Shearer

TO: Governor Andrew M. Cuomo Office New York State Executive Chamber State Capitol, Albany, NY 12224

Dear Governor Cuomo Office, Greetings to you;

I PAULETT ANGELLA HEMMINGS EARTH, CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER <u>ALL</u> LIFE, DEATH, ESISTENCE, AND ANYTHING INBETWEEN DECLARE IN THIS CONGESSARUM THAT:

Any bad thing that happens to me or my family are the result of the State of Florida and the State of New York. They are guilty of conspiracy, treachery, treasonomous 16th level and higher, and much more.

No leeder, leader, leadur, government, devels, satan, wicked, evil, bad, D'man, B'man, anyone, anything, or any authority can use one of my family names or any part of my family name at any time in the past, present or time to come; it can never happen, it can never happen.

No one and no devel, satan, evil, bad, or wicked can use someone's children, sister, brother, mother, father, generations or someone's authority to open the person, to kill, torture, terror, or destroy the same person, at no time this ever happen. It did not happen, it did not happen, it did not happen, it did not happen.

All the power and authority you have taken and stolen from me and others over the many thrillianth centrymenias so you can continue to have giganamous strength, this can never happen, can never happen, and I add the highest number that esist.

Every bad thing and event that have happened and could happen, cannot affect me, my mate, my children, my family, my parents, my brothers and sisters, aunts, uncles, cousins, nephews, nieces, grandparents, or my generations from any word of mouth, order, commands, decry, decree, song, music, article, or any document.

Right Elevation Levels

State of Florida, New York, and others, all my family members are to be in the right level and elevations they are to be in in all parts of this Natural Natural Earth and every part of this Earth they are in. All my family members are to be in the right homes they are to be in, and in the right communitys they are to be in. Federal Governments, all governments, all leeders, and politics, stop killing and destroying my family and generations. I Command you out of my EARTH and Chreations. Out of my EARTH and Chreations. Out of my EARTH and Chreations. Out of my EARTH and Chreations.

Elevation Changes and Confusion

State of Florida, many people have been cut out of their homes and communities and found themselves zoned in or zoned out and having problems living from day to day because of the elevation changes. They can get in and out sometimes, and other times they cannot get in their community or their home. Many of those shut out have to find hotels whenever they are shut out from their homes when it is zoned out. These situations are happening in the Natural and more so in the Cut-out, Parletas and Perspectile. I have had problems in June 2017, finding my way to my home because I was zoned in, and I saw many homes in my community that do not esist in the elevation I live in, and the street I was able to find my way through to get home after about 4 - 5 hours walking around, disappeared about a day after.

I contacted the Hillsborough Sheriff/Police about two days after the zone in problem in my community happened in June, and the police told me that they do not take any complaint when it is not an injury or a death does not happen. I gave them my name and that I am the Chreator of the Earth and GOG, and they did not care. Tampa Bay Police Department/Hillsborough County Florida, did you use the zoner on me in June 2017, that caused major catastrophes with me and my generations in other elevations?

What Hue Shearer once a Prime Minister of Jamaica Looks Like

I noticed that the photographs of both the Consular General of Jamaica (New York), and a former dead Prime Minister of Jamaica West Indies looks very similar. His name is Hugh Shearer, and I believe he was in politics before I was born. You look at the pictures and decide for yourselves. This is the same Consular General who took my passport and want my hair on my head to be cut off so he could get the shape of my forehead so they could make plastic, rubber, and other forms of non-Life, or Persons with my facial image and to use my authority, my information, and my family name to do wickedness and to impersonate me. He also wanted me to feature my ears so that he could get into my hearing and to copy my ears to use them, as the ears are important features of the impersonation forms.

I have pictures of Hugh Shearer and the Consular general to show you how they are the same person. He is dead and yet alive and he organized a computer piracy of my photographs and they shut down my computer today, August 18, 2017, and I had to call some attorneys and others for them to see what was happening to me. I couldn't get any pictures from my computer folder. Shearer and others locked down my pitcher folder and they could't open. They were sitting inside my computer holding the folder lock and had strings attached to something that they were pulling. They kept putting my eyes to sleep, and they are in my back pulling out my bones from my back while I tried to prepare this document for you.

Others asked Hue Shearer why he does not want to show his photograph as Barak Obama, Donald Trump, Hillary Clinton, and Sir Alexander Bustamante pictures and information are all there. He said he does not want anyone to know that it is him dead and alive at the same time. So, they are saying that he is a PUSSY BATTY MAN AND THAT IS WHY HE THINKS HE IS DIFFERENT FROM OTHERS, AND THAT IS A FITTING NAME FOR HIM.

The many devel man arrested my computer all day and removed many of my work that I have finished and ready to post on the computer to tell you that this Earth has 34 levels and 99 Elevations. I explained the transcending and descending process from one elevation to the other. I have a lot of other information important for you to know and they removed my two documents today. What I learned is that they removed my personal information from my computer including my photos and videos to use in FBI investigation, and to cut and splice pictures of me, so they can slander my name as FBI cannot find anything dirty on me. The problem is MAN.

They are going to use my information for their own purpose as they have access to remove my documents from my computer anytime they want. They use the giganamous vectors, open my home, open my body, and they pull many things from my body. They cut out the middle of my head today and as I am writing, and they went into my head. Today, they put themselves inside my head, and many explosions went off from them inside my head. They are in my head pulling out my brain and hooking many things on my brain. They are removing many items from my home. Two major pieces of work was removed. Each of them was about 9 pages or more long, that I have been working days, nights, and months without sleep or food or bath.

My home is an open street where the FBIs, Federals, and many comes in any time day or night and removed my money, my personal items, and my computer documents as they want. They arrested my computer many times per day, and I cannot use it. They put me to sleep whey they want so that I cannot do my work. They use the vector, stinging, biting, burning and the cut of time to remove me from my computer room so they can use my computer when they want and I cannot use it. On my neck back and on both my breasts they burn me with soldering iron or the zoner a few days ago and my breasts have black burn marks on them and my neck back has a big burn. I do not use hot iron in my hair as I braid my hair. On Sunday, I believe they were in my office removing many things from my computer and they had many attaché cases with many electronics. I damaged some of them, and they exploded and they came back and removed more information from my computer. All my school work are on my computer, my dissertation, my many course papers, my book that is published, and many documents that I wrote personal and non-personal.

In the year 2013, they removed all my information from my computer, and I almost didn't get to finish my PhD course, as they removed everything including my dissertation and left me empty. They came with an attaché case and removed my information and up to now no information I can get back from those documents and videos from my various travel to many different counties on my vacation. They are planning to take my work and to use them any way they want, any time they want, with anything they want. As it seems, I have become their slave, as they can come and go in my home and do as they choose with my work, with my money, with my banks, with my TVs, Newspapers, Radios, Internet and other communication networkings as they choose. Your leeders are insects, animals, and species, dressed up in shells or effigies, as they are spirits that are not visible with the natural eyes and not touchable with the natural hands.

I am a Caicoban and not a human as human is the devels. "Hue" is the woman's last name and "Man" is the man's last name. Wo is the woman's last name of another generation and "Man" is the man's last name. I am not plastic, rubber, paper, electronics, or tremoline. I have natural normal flesh on my skin and red blood runs through my veins. The devels tear up my hair and used acid on my skin and hair many times, and so I braid my hair as it is the best thing to do as the devels won't stop destroying me. I cannot live like a normal person since about January 2013 when Barak Obama and many of these same ones open my body and tore me out and killed me. They removed my brain, my memory, my information with them. They kept returning and removing more and more of me, and I have become their experiments.

I have to urine on myself as I work on this document to post, as I have to write what Hue Shearer and the others are doing to me at the time I am writing. The wicked devels kept monitoring my bladder, and they know that I needed to pass my urine. They kept pressing my bladder to expedite the urine. They wanted me to get up to go to the toilet and for them to remove this document from my computer

like the other two they removed today. I had to urine on myself as I couldn't risk losing this document as well. The urine runs down on the carpet and soaked my office. It is almost 12:00 AM now, and I am still working on this document with no food and no sleep and I cannot get things done, as these things like to play mischief and I am not an animal and what I am doing is not insect or animal things. So, I have become a prisoner in my own home, as I have not slept in about four days and nights straight and almost no food to eat and just terror up on top of terror and wickedness on top of wickedness they are doing to me. My children, my chreations, my Earths, my authority, and all Esistence under my authority have all become theirs and my life continually destroys day by day and minute by minute. Two of them in my head digging out my head and I asked them what they are doing in my brain. They said they are trying to take control of my brain again so they can control me. I asked them what they are going to have me do when they are controlling me. Write thing and then destroy and remove it? They didn't answer and they continued.

Allowance Changes

I Paulett Angella Hemmings (Earth) is the only one who can increase or decrease the monthly allowances since I have been born and after I know who I AM. No other leader, Chreator, Head that is over an authority, no other Person, Uppers, GOG, Head of State(s), authority, Rank, or People can make any change at no time and in no level or elevation in these Earths.

Allowances for uniform and maintenance of work uniforms are ongoing and not reduced.

I do revise my commands when it is necessary and especially as the Federal government have been overriding my authority and commands.

Use the last or the latest changes to a specific command in the articles, decrees, decrys and higher instead of the earlier ones, as it best suits the employee, homeowner, or my children.

If there is a conflict with any of my orders or commands, use the best one that benefit the employee, my children, or give them what they choose (not the devels).

Breast Milk

Angies/Women are not to breast feed their babies. The devels put themselves in your breasts and they go into the breast milk. When you are feeding your young babies, the babies drink the milk with the devels in them and the devels get inside their bowels, brain and take over the children from baby stages.

Baby Food

Give babies bottle milk. Change the nipples often like every week or every two weeks. Sterilize the nipple and pour a little rum and a little ganja juice in the nipple sterilizer while sterilizing the nipples. Sterilize the nipple bottle as well. When the children are of age, you can give them cornmeal cereal for their breakfast, lunch, or dinner. Change up the menu at times. Give them banana cereal made from green bananas as well. Give them oats cereal, and smashed or puree boiled pumpkin with real butter smashed in it. Smash the white St. Vincent yam with butter and puree well prepared chicken, mashed potatoes with real butter and add well prepared chicken to it. You can add well prepared fish for them to eat with potatoes, pumpkin, crushed vegetable. Cook the beet root and smash it with butter and add chicken, fish, to it for the children and other vegetables. Always mix the vegetable with the starchy foods like the white yam, the potatoes, the pumpkin, and so on. Only use the fish when you have removed all bones and slightly puree the fish so no bones in them.

Earth Transformation

The federal does not want the Earth to be transformed, so I have put together the Articles and Decry's with the instructions to rebuild and to restructure the Earth in this Natural Natural Earth. The Earth should have been transformed a long time ago, and the time should have come for everyone and everything to come together in the right manner. All these devels in this Natural Earth who are here should have been transformed like natural Earth peoples with minor differences, but they do not want this to happen, and they do not want to return to their own Makings.

This part of the Natural Natural Earth that is on the map is not on the right elevation or level it is to be on. It is flipped and twisted with about three other Earths and then torn apart, then hoisted up and tied to posts. The other bigger part of the Natural Natural Earth is below it. It is beautiful but it is like a piece of rag or carpet or towel that the devels cut apart and travel with them in their pants pockets and folded them up like a hand kerchief.

Every time the Earth is to be transformed the Federal government created major obstacles so the Earth cannot be transformed, it cannot go to its right home and a place for it to stay permanently. The Earth has been in many disasters, is tired, battered, torn up, and need major transformation. The federal devels do not want this to be done. The Earth cannot go through transformation with the Earth tied up on posts and separated from its other part. The other three Earth Levels that it is flipped with must be unflipped. I do not know how that is going to be done, as the federals have my brain in their heads and using my information, and I cannot use my information as they take control of it. The federals have made it that I cannot be in the Earth in the right time, with my knowledge of who I am at the time I am to have it, and using the right procedures. Everything must be done on the federal time, in their way, anytime they want, with anything they want, and any how they want. This Natural Earth is mine, and I am not able to have control of my Earths as the federals do not want to give up, and they want to continue leeding, controlling, and destroying you. Nothing can be done like that and so nothing could have been done to help these Earths for a very long time. The federals do not know what they want, they cannot decide what they want, and they cannot come to an agreement that can be carried through from one stage to another. So, this Natural Earth is stuck in the rut.

Sea Salt

At this time, all credit card banks are to double the money to be placed on each credit card holder's credit card account to \$12,000, as I have instructed since January 8, 2017.

The State of Georgia

The State of Georgia is a Black state. The State of Georgia cannot, at no time, have a pink/white leeder/leader or Leadur. The State of Georgia can only have a black Leadurs/Leaders. At anytime in the past or present, the State of Georgia has a pink skin/white leeder or leader, it is invalid and never happen, never happen, never happen.

Right Communication Connections

For the Brandon, Florida community, where I live, I want to have the British, Jamaica, Caribbean, all of central America, all of north America and south America communications connected to Telephone numbers, Internet, world wide web access, Television and Cable immediately and also for the electricity circuit, currant, voltage.

Hospitals

Every Hospital in this Earth must give breakfast, lunch and dinner to each patient. No Hospital in Russia, China, Africa, Caribbean, South America, Europe can ever admit a patient and not provide breakfast, lunch, and dinner/supper to them. Every hospital must have their own frank or mint machine with no spending limit to make a patient comfortable and physically fit. It is best to avoid plastic, synthetic, or fiber medications. Hospitals are to research the plants and use the natural plants as medicine and not synthetic medications, plastic, or fiber that do not help the patient to be whole and full.

All hospitals must keep the floors, equipments, tools, syringes, clean with natural plant extracts that are no reduced by removing the gluten, fat, calories, and other particles that must be in the product. You can use extracts from the Seville orange skin, bougainvillea flowers and leaves, myrtle flowers and leaves, iodine plant, ganja distilled, the pine tree leaves, ammonia. To clean. The myrtle flowers and the bougainvillea extract are estremely good for metals, or anything that has metal, tin, wire, can, in it.
