COPYRIGHT, FLEETWOOD POA, 2015

From the PRESIDENT.

Neighbors,

We are glad to report that alley repairs will begin in the first few weeks of November. I hope that the repairs do not cause any major inconveniences for home owners who live in these areas. A friendly reminder, while we have not had any reportable crimes in Fleetwood. Please continue your diligence and report any suspicious activities to Houston Police and Security Patrol. If we do not feed the criminals and watch out for each other I hope we can continue to have a safe and secure place to call home. Additionally, as we go into daylight savings time please use caution driving in the neighborhood. People and pets are harder to see with the limited light. Thanks again for all your efforts to keep Fleetwood safe!

As we come to the end of the year, we need candidates to join the board. We have four out of five spots open. We can also have more than five board members. Ideally, I would like to go back to seven board members. The more people the better. If you are interested, please contact me or any other board member.

Otherwise, I hope you have a happy and safe holiday season.

Sincerely,
James Ainsworth
Fleetwood Board President

Veterans Day November 11th, 2015

Soldiers of the 353rd Infantry near a church at Stenay, Meuse in France, wait for the end of hostilities. This photo was taken at 10:58 a.m., on November 11, 1918 two minutes before the armistice ending World War I went into effect

An Act (52 Stat. 351; 5 U. S. Code, Sec. 87a) approved May 13, 1938, made the 11th of November in each year a legal holiday—a day to be dedicated to the cause of world peace and to be thereafter celebrated and known as "Armistice Day." Armistice Day was primarily a day set aside to honor veterans of World War I, but 1954, after World War II had required the greatest mobilization of soldiers, sailors, Marines and airmen in the Nation's history; after American forces had fought aggression in Korea, the 83rd Congress, at the urging of the veterans service organizations, amended the Act of 1938 by striking out the word "Armistice" and inserting in its place the word "Veterans." With the approval of this legislation (Public Law 380) on June 1, 1954, November 11th became a day to honor American veterans of all wars.

This is an excerpt from:

History of Veterans Day

World War I – known at the time as "The Great War" - officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France. However, fighting ceased seven months earlier when an armistice, or temporary cessation of hostilities, between the Allied nations and Germany went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November 11, 1918, is generally regarded as the end of "the war to end all wars."

National Pearl Harbor Day

National Pearl Harbor Remembrance Day, which is observed annually in the United States on December 7, is to remember and honor the 2,403 victims who were killed in the Japanese surprise attack on Pearl Harbor on December 7, 1941. On August 23, 1994, United States Congress, by Pub.L. 103–308, designated December 7 of each year as National Pearl Harbor Remembrance Day.^[1] National Pearl Harbor Remembrance Day is also referred to as **Pearl Harbor Remembrance Day** or **Pearl Harbor Day**. It is a tradition to fly the Flag of the United States at half-staff until sunset in honor of dead patriots.

As it is not a federal holiday, government offices, schools, and businesses do not close. Some organizations may hold special events in memory of those killed or injured at Pearl Harbor.
