

DeMarcus A. Rogers

I am 32 years old from Irving Texas. I am a graduate of Irving High School. I am a manager for The Home Depot where I have worked for 11 years. I have a awesome wife, and 3 wonderful kids ages 11, 8 & 7. I love drag racing (bracket racing) my Chevy S10 on the weekends. I am a musician at my church Compassion Outreach Ministry in Irving. I love kids showing & teaching them the right way now and for tomorrow because they are our future.
