

From the President's Desk

We are back! The Fall Luncheon made me feel like we were home after a long journey. Members and guests were dancing to the music, enjoying time with their friends and feeling uplifted. The San Antonio Country Club looked amazing with the red, white, and blue décor and the sparkling handmade overlays. As the members and guests entered, the music was playing creating a festive mood. The Club served a delicious lunch after which Patsy Torres performing as Patsy Cline gave an incredible performance. The audience never took their eyes off of her as she belted songs and told stories. Patsy holds a doctorate degree in education, but she could easily have a doctorate degree in vocal performance. Her delivery was amazing!

I have many people to thank who made this a beautiful luncheon:

- Janice McGraw and Mickey Tovar and their team for the beautiful table decorations.
- Ginger Vlieger and her team for putting together a great silent auction.
- Susan Gargotta for giving “our” Club an opportunity to select a fragrance for a signature “scent” for the Woman’s Club. She plans to have candles of our special fragrance for sale at the Christmas Faire.
- Tawana Timberlake for decorating the podium area with her Swarovski crystal covered boots and hats designed and handmade by her. As I stood at the podium, I felt like I was standing in a sea of glitter.
- Karin Fee and Tina Zimmerman for taking the reservations and organizing them on seating charts.
- Julie Alexander-Shacklett for setting up a voting station for the members to vote for our Fiesta Teen Queen. Our Elections Chairman, Molly Allen, will announce the winner at our October general meeting.

Let’s keep the momentum and excitement going. I’d like to see everyone back at our “must attend” October general meeting featuring the great-grandson of David Woodward. He is J. Thomas Bagby III, and he will tell us everything we wanted to know about the life and times of the David Woodward family.

Be sure to get your luncheon reservations in early for the meeting on October 6. Hope to see many of you there.

The photos below are from the Patsy Torres "Sweet Dreams of Patsy" musical program at the San Antonio Country Club on the 15th of September. Her audience enjoyed the show from their luncheon tables.

House Report

Susan Gargotta Chairman

A quick update on your House:

- The work on the second-floor balcony is complete. The new spindles (to complete the railing where the fire escape was removed) have been painted and installed.
- The carpet on the main floor has been professionally stretched so that it is smooth, attractive and safe.
- A new phone system has been ordered for the office. This replacement is not so much for new technology as it is for a reliable communication system when you reach out to the Club for reservations or information.
- The security features installed at the rear of the property have had a significant positive impact in reducing the vagrancy issues noted when there were fewer activities at the House during Covid restrictions.
- The gas stove in the main kitchen has been repaired several times and options for replacing the stove are being researched.
- Please remember there is an on-going requirement to store any supplies in plastic boxes or bins with the lids properly closed; and, to never leave any supplies out where organic or nestable material could attract "mini vagrants".
