

# IT'S SHOWTIME | BE PART OF IT

**SNOW PRODUCTIONS, Inc.**

*PRESENTS*

Welcome to Snow Productions!

Snow Productions is a non-profit organization that brings theater and music to life for children of all ages. Each time the curtain rises, Snow Productions' youth performers work hard at strengthening their acting, singing, and dancing skills in an environment that focuses on love and acceptance of all performers. We strive to create a theatrical experience that is inspirational, educational, and has a positive impact on our community and performers.

Funding from groups like yours is what makes shows starring local children possible. Corporate partners help Snow Productions extend its high quality and impact programs to children throughout the region each year. Our partners enjoy benefits that range from reserved tickets, acknowledgement in our program, to pre-show announcements. We look forward to seeing you at the show!
