The weather was a little rainy – but the fellowship was great!

Special thanks to the “Picnic Team” (**Zac & Lisa, Michael & Hope, and to Doug - who jumped in to help cook**).

The team did everything from planning to serving to cleaning up. What a joy to have a church family and so many dedicated servants of the Lord!

At Sunday School they were learning how God created everything, including human beings.

Johnny was especially intent when the teacher told him how Eve was created out of one of Adam's ribs.

Later in the week his mother noticed him lying down as though he were ill, and said, "Johnny, what is the matter?" Johnny responded, "I have pain in my side. I think I'm going to have a wife."

Don't Play With Temptation

by Clark Tatum 14th & Main St. church of Christ Big Spring, TX

The story comes from London where a world-famous animal trainer gave a command performance featuring his wild animals. All kinds of animals were involved, lions, tigers, elephants, horses, and other circus animals. The trainer was most famous for a particular act he did with a boa constrictor that had grown to 35 feet long. He had raised this snake since it was a few days old. The trainer had fed it, cared for it, and worked with it daily. In this act, the trainer would lie down on the ground with his pet boa and the snake would wrap around his body.

The massive reptile was easily strong enough to crush the man into pieces, but it would always release him just as it had been trained to do. One day as the trainer performed with this snake, the act took an unexpected turn for the worse. Suddenly before the watching crowd, the boa kept squeezing and squeezing and before the crowd knew he was in danger, it was too late. That is exactly how Satan comes coiling himself around our lives. At first temptations may seem so innocent and perhaps harmless, but unless you are careful their grip gains the upper hand in our lives. The Evil One desires to suffocate our spiritual lives to death. Temptation is a powerful force and we must never lie down and play with temptation as if it were a harmless pet.
