

**KINGFISHER**  
CHURCH OF CHRIST

April 18, 2017

To Whom It May Concern,

As a preacher and evangelist of the Gospel of Jesus Christ I am pleased to recommend the outstanding Hanna Family. Tavarro as a man of God, husband, father, Bible teacher, and evangelist from Free Port, Grand Bahama, The Bahamas. His wife, Shameika, is a virtuous woman full of good deeds, love and knowledge of the Holy Scriptures. Together, they make an *impactful team* for the winning of souls and building up the Kingdom of God!

Tavarro, Shameika and I got acquainted when I was serving the church at North MacArthur in Oklahoma City a few years back. He attended our Preacher Training Camp and was very active in teaching and soul-winning while at the North Mac church. Tavarro is a man of integrity who loves and serves his wife, Shameika, and their children with honor.

Tavarro is passionate about learning and sharing God's Word. I have always been impressed with how Tavarro is a teachable man who does not turn away from a challenge! Their time at the Memphis School of Preaching has been a tremendous blessing to them and has challenged them to grow in numerous ways. The Lord's church, as well as the lost world, will eternally benefit from this family's vision, zeal and knowledge of God and His Word!

I strongly encourage you or your congregation to get to know them and support their tireless efforts to spread the Good News in The Bahamas!

Sincerely,

Steven D. Minor  
Preacher and Evangelist
