## JACK'S CORNER

### INVISIBLE ATTRIBUTES CLEARLY SEEN

If one has not commented about the beauty of nature that is presently surrounding us, they apparently haven't slowed down long enough to notice it.

When we look at this incredible earth that God has allowed us to live upon, we can certainly see the truth in Romans 1:20, *"For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made..."*

The meaning of the word, "attributes" here is qualities, or characteristics. We should be able to see the characteristic of God's enormous love for us as we enjoy the brilliant colors of Fall.

Yes, God **MADE** these things for mankind to enjoy. He **MADE** the earth in such a way that it sustains human life, animal life, and plant life.

Oh, that all could clearly see God's invisible attributes by the things He has made!

**CHRISTMAS GIFTS FOR NEEDY CHILDREN:** We should be getting those names the first or second week of November.
