Mentoring for Leadership

JULY 2020

Welcome Brothers and Sisters to the “**Soar Like an Eagle for Veterans**” year with President Linda and “**Honoring Our Mission to Serve Veterans**” year with National President Sandy. Mentoring will again be one of our programs. I will be working with the Chief of Staff and Membership Chairman and together we will make Auxiliaries stronger and healthier. Goals + Mentoring + Leadership = Healthy Auxiliary.

Goals this year: Ensure a Positive Member Experience.

Engage in Learning Opportunities.

Develop Member Confidence in Leadership Roles

Leadership can be difficult in any organization. Through mentoring, willingness to listen to the suggestions of others and following the guidelines set in place for the office or position held, leadership is easier. By using the Building on the VFW Auxiliary Foundation is the key to creating a successful leader.

There is a special someone in your Auxiliary that you can look to for help to guide you. Who is that mentor –your R.O.C.K? The mentor R.O.C.K. qualities are:

- . Reliable
- . Outgoing
- . Consistent Communicator
- . Knowledgeable

Award from National this year: Citation to the Outstanding New Mentor in each of the 10 Program Divisions. Nomination form required and will be available at vfwauxiliary.org/resources. Forms due to me by March 31, 2021. Reminders will be sent as the time approaches.

Until next time I leave you with this quote ---MENTORING is a brain to pick, an ear to listen, and a push into the right direction. (John C. Crosby)

God Bless everyone—PLEASE stay safe and healthy.
