July 16, 2005

To the Sherburn and Welcome City Councils,

The department responded to 134 calls in the month of June. This brings the total for the year to 959. In 2014, the department responded to 1040 calls and 753 calls in 2013 for the same reporting period.

Response time for the department averaged 2 minutes and 15 seconds which is within our average.

Officer Nelson left the department at the end of June for a new position with the City of Northfield. While we will start the process to replace him shortly, our first priority is to add some part-time officers since Officer Dahl also is leaving. We are currently sitting at two part-time officers who are regularly available and one of them is likely to be hired full-time in the near future which will take us to one part-time officer on the roster. We have one candidate who is nearly ready to start FTO training and another that will begin the background process shortly, so you will be seeing some new faces in the near future. The goal is to start the full-time process in August with the hope of having the position filled by the October.

The department will again be present at many of the activities this weekend for the Welcome Festival. With the forecast showing very warm temperatures, I hope that we do not have any issues with heat exhaustion or other medical situations. We look forward to everyone having a good time!!

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes".
