

Paper Cutters

SC-18

SC-22TS & SC-26TS

Shark Finishing Machinery introduces the Smart Cut series of paper cutters. These heavy duty paper cutters are built stylish and solid. They are available in three convenient sizes; 18.9", 22.05" and 26.4". These cutters are fully programmable with easy to use LCD displays, safety light beams and LED cut line light. They are also equipped with knife latch, exterior blade depth adjustment, automatic paper eject feature and emergency stop. The SC-22TS & SC-26TS now include a fold down back gauge allowing the paper cutter to fit through most standard size doors. These paper cutters are simple to operate and require minimal maintenance.

- Three convenient sizes available
- Standard side tables on models; SC-22TS & SC-26TS
- Foot Pedal clamp on models; SC-22TS & SC-26TS
- Red LED cut line light for better visibility
- Light safety beams for added safety to the operator
- LCD display
- Completely programmable
- Automatic Paper Eject Option
- Two hand push button operation
- Blade latch device prevents blade descent in case of emergency
- Blade depth adjustment from outside the machine, no need to remove covers
- Emergency Stop
