- Requirements:** No previous knowledge required, our group is aimed at everyone with a love of ancient Egypt.
- Topic:** “Tutankhamun’s Last Secret”

Tutankhamun’s name did not appear in any of the ancient King Lists, and Horemheb and Seti I had usurped his cartouches, but he was far from unknown to early Egyptologists.

Why was his tomb not searched for with greater confidence? But it was not just his tomb that was lost. What other monument should we have been searching for? Where should we be looking?

Many fascinating clues.
