

for accessible play and support

## SPACE CHARITY BALL 2019 – SPONSORSHIP PACKAGES

SPACE aim to provide a local, fun, safe and accessible environment in which children with disabilities and additional needs can play in the Chester area. Also, opportunities for parents and carers to meet and provide mutual support.

The charity has been founded by parents of children with disabilities and additional needs. Through experience they found that there is very little support for families with young children with disabilities/additional needs and locally there are no accessible play areas. As a charity we aim to change this. In January 2019 we opened the first phase of our multisensory play centre in Chester. This provides an accessible and inclusive for children of any ability.

### The Event

The 4th Annual SPACE Charity Ball is being held on 19<sup>th</sup> October 2019 at Chester Doubletree Hilton Hotel. This is our flagship fundraising event enabling us to meet our fundraising target. The evening promises to be a glamorous occasion and will include welcome drink on arrival, a delicious three course meal with wine, top class entertainment throughout, an auction and a raffle.
