## President's Message – Tim Conley

We are rapidly approaching the time of year when the “Dog Days” of summer are replaced by cool crisp mornings. Thoughts of days in the field with our faithful GSPs, favorite shotgun, and our best buddies, make the week-ends too short and the work-week too long! Whether you are chasing hunt-tests, planning a pheasant hunt, walking the grouse woods or just relaxing on the couch watching the outdoor channel while Rover looks way too lazy to ever point a bird, Fall has got to be the best time of year for all parties concerned!

The first day of “Fall” this year “falls” in the 4<sup>th</sup> week of September. It just so happens that in that very same week, the GSPC Indiana will hold our “Fall-Hunt-Test”. September 27<sup>th</sup> & 28<sup>th</sup>. An event can only be as good as our hard working members, that’s why this is always a hit, and folks come from far and wide just to enjoy the hospitable atmosphere of our Hunt-Test!

We have several new club members and I hope everyone can and will come help out and support the club with entries. We guarantee that you’ll be hooked for life!

Now reflecting on a few of the recent club activities; It was great to see such a large crowd at the picnic this year! It’s nice to know that extreme heat, nor hail, nor down pours of rain can spoil a great time at a friendly gathering of GSPC Indiana Members.

The raffle for the Tritronics Pro 100 is off to a great start. The club is already on the profit side of things and looking to have the drawing on Hunt-Test week-end. “Great Job” to those of you who got that ball rolling and to our “Corporate Sponsor”, Gander Mountain Terre Haute, for the great buy on the collar. I’m sure those proceeds will be greatly enjoyed by the Youth & Ladies at our up-coming hunt. I couldn’t help but notice at our last club meeting, at the Gander Store, how nice of a little training gun that Merkel, two barrel set, behind the glass, would make. Has the “Fund Raising Committee” thought of any second raffle ideas??

Speaking of “Corporate Sponsors”; I would like to announce and have everyone join me in welcoming our newest Corporate Sponsor, **Wetzel Family Auto Cruise**, from Richmond IN with a “Gold Level” sponsorship! Thank You Terry Schwer for your

generosity to the club! <http://www.wetzelauto.com/>

I was able to attend the Atterbury “skeet/trap-shoot” and wish I could have made it to the Indiana Gun Club Sporting Clays. It makes Larry, Alan, & Tyler feel “Real Good” to have a bunch of “rookies” shooting with them!!

The “Women in the Outdoors” event made a nice addition to our “To Do List” this summer, as well as the return to the Karl Kelly Memorial Youth camp. I just can’t seem to say enough about the way the Conservation Officers have treated us this summer!!!

Your GSP Indiana club still has plenty in store for the remainder of the year. Our success depends on our member’s participation in all that we do.

## **GSPCIN - DIRECTORS/GENERAL MEETING MAY 4, 2008**

A club meeting was held at the Gander Mountain store in Greenwood on May 4, 2008. There were 14 members present. Those attending were Lisa Cleveland, Clynn Conley, Tim Conley, Donna Conley, Charlie Edwards, Ron Ferris, Hilary Goodnight, Steve Hammond, Larry Harris, Tanya Harris, James Kershaw, Matt Sanders, Chris Snyder, and Christin Swinford.

The minutes and treasury report were given by Donna Conley and approved as submitted.

The Perfection Kennel Seminar was a great success. Special thanks were given to Lisa Cleveland and James Kershaw for their efforts.

The spring hunt test was well attended. Tim Conley thanked all those who helped in any way. The dates for the fall hunt test are Sept 27 & 28. Ron Ferris will clear with GVCC.

To meet our club's educational requirements, Christin Swinford will organize a "Meet the Breeds" event at the Muncie/Anderson dog show. All are invited to participate.

Membership stands at 73 members. We have one corporate membership GANDER MOUNTAIN - \$250, thanks Matt Sanders!

Charlie Edwards was approved as show chair and as a delegate for nationals. He said we had approval for the 2009 Specialty Show at Indianapolis with the Hoosier. He encouraged anyone interested in the show or nationals to talk with him after the meeting.

More fund raising ideas were discussed. It was decided to go ahead and do a raffle for a collar for dog training. James, Larry, and Matt will work on getting this started.

It was suggested to keep members informed that Tim could try to send out a weekly email. Anyone with news or information to post can contact Tim and he will get it out.

Lisa Stovall is still working on updating web site and getting newsletters out.

Bill Wert informed the club that the Sportsman's Roundtable was still active and he will be getting the correct contact numbers to Tim for our club's participation.

No applications for the 2008 scholarship were received.

Summer events include sporting clays shoot, club picnic, and a possible dock dog day. In June we also have lined up WITO in Fort Wayne (Dave Troup) and

Karl Kelly Youth Camp (James Kershaw or Tim Conley), if interested become involved.

Steve Hammond thanked everyone who helped or attended the March training date. He is working on more training dates, as birds and locations become available.

Matt Sanders thanked everyone that was involved with the BOW Chukar hunt. It was a lot of fun and they want us back to do it again. We appreciate Matt and Vicki Sanders for organizing this event.

The following items were tabled and are to be discussed at a later time: the fun hunt/ bird dog challenge (Chris Snyder), the youth/ladies hunt (Alan Montgomery), the updating of language in our by-laws (Charlie Edwards), and working on a new booth for the BSTS (Andy Giegold).

The DNR has already expressed interest in our help and participation for events in 2009. If we want to continue, and have this exposure for our club, we need lots of members involved and willing to help.

The next club business meeting is August 3, 2008.

Meeting adjourned.

### **GSPCI Honorary Life Member Patti Keller passes away. - Charlie Edwards**

Patti Keller died last month after a lengthy illness due to congestive heart failure. Patti had been a member of GSPCI for many years though not active for in the club for some time due to her health. Patti founded Huntbird Kennels after moving to Indiana from Michigan in the early 70's. Many people know of Patti because of the successes of her dogs in the show ring but the dogs she and her first husband originally bought were strictly for hunting and it was only after her divorce that she became involved in conformation. Many of the dogs she bred were sold to companion hunting homes. Patti had a master's degree in art education and a gift for recognizing and developing quality animals. In the early 70's, many GSP's being shown were coarse looking and didn't move very well. Patti bred dogs that had clean, elegant lines and moved effortlessly which drew the attention of GSP fanciers around the country. Patti really made an impact on the breed with Flash (Ch. Huntbird's Main Reason). Flash is still the youngest shorthair in the history of the breed to win a Best in Show which he did at 15 months. Flash went on to become one of the top producing sires in the breed of show champions along with a number of master hunters and obedience titled dogs. In 2004 Patti and Flash were both inducted into the German Shorthaired Pointer Club of America Hall

of Fame. Patti was the first person inducted into the Hall of Fame.

You say "why should I care about what Patti Keller did. I don't show dogs, I just like to hunt" Well hopefully you can appreciate that someone worked to develop GSPs that were well built so they wouldn't break down at an early age, were of sound temperament while still maintaining a good nose for birds and looked good doing it. You really can have show dogs that can hunt regardless of what some people like to say. It just depends on what your priorities are. The dogs that Patti bred are still having an impact on many dogs being bred and shown today. Patti mentored many judges and breeders and her influence will be long remembered by those who were fortunate enough to have known her.

### **2009 Spring Specialty show could use your support!**

The spring specialty show held at the fairgrounds in February will be here before you know it. This year it will be on Friday, February 13, 2009 one weekend later than last year. Many GSPCI members generously supported last year's show with donations for the trophy fund. The 2008 GSPCI specialty show drew one of the largest entries in the country so your support is recognized and well-received. If you would like to donate to this year's show and promote your business or kennel, you need to let me know before September 12 so your name can be listed in the premium list.

There will also be a placard with donor names at the trophy table by ringside. Donations will still be taken after September 12 and your name will be listed in the catalog. Right now I just need to know if you would like to make a donation and for what class (i.e. Best of Breed, Winner's Dog or Bitch, etc...). I will contact you about payment later.

You can email Hilary Goodnight at [hsgoodnight@hotmail.com](mailto:hsgoodnight@hotmail.com) or me at [pntsttr@wcrtc.net](mailto:pntsttr@wcrtc.net) or call me at 502-645-0129. Thanks for your continuing support of this event.

## **Club Picnic – by Brad Wise**

On July 20, approximately 30 members of the club braved the sauna-like conditions at Glenns Valley Conservation Club to enjoy a great picnic with their dogs and fellow pointing dog enthusiasts. There were many familiar faces in the crowd as well as several faces new to the group.

Casie Conley gave a nice demonstration on dog obedience and agility training. From the demonstration it was obvious who really does the obedience training in the Conley household. Tim Conley demonstrated his new toy, a Zinger Winger Uplander G3, and amazed the crowd with his ability to launch a training dummy high into the sky. Master gamekeeper Steve Hammond then helped several of the newer members introduce their young dogs to quail. It is always great to see how the dogs react to their first scent of a bird.

After the bird introductions, the group then proceeded to the pond to introduce several of the younger dogs to water. The group (and the dogs) had a great time at the water and at one point there were 10-12 dogs in the water at the same time. It should be pointed out that Alan Montgomery's wire-haired pointer "Parker" was the official "bumper hog" and felt the need to retrieve anything and everything thrown into the water. Parker is a nice dog but he sure could use a haircut.

Grill masters Tim Conley, Ron Ferris and Dave Tharp grilled hamburgers and hot dogs to perfection. A special thanks to Donna Conley and Candy Tharp for helping to make sure all of the food was nicely laid out and well organized. As always, the side-dishes that everyone brought were delicious. The afternoon ended with a spectacular demonstration of nature's power and fury with a wild thunderstorm and torrential rain. In response to Tim's earlier demonstration, mother-nature demonstrated her own ability to launch objects several feet into the air without the aid of a Zinger Winger.

## **2008 Atterbury Skeet and Trap Shoot**

*By: Clynn Conley*

I am pleased to be able to report to the members of this great GSP club that the 2008 Atterbury Skeet and Trap Shoot was a blast! We all had fun even though some people shot better than I did! (Hint: Tyler Tharp, Larry Harris and Alan Montgomery). The site of watching clay targets busting in the air over top of your shotgun bead was thrilling. We also can't forget to mention the cook. My Dad grilled some brats and burgers to go along with the taste of just busting one

more target every time we shot. The warm day was heated up even more by the excitement of trying out my new Parker on the trap field & by just watching Steve Hammond hit those ever hard doubles with his old 870 pump gun. I would say that the GSP Indiana club event went well.

## **Recap on Karl Kelly Conservation Officer's Youth Camp – by Steve Hammond**

GSP of Indiana put on dog demo again at Lafayette youth camp. Dogs were put through their paces by handlers Tim, Casie, Clynn, & Donna Conley, and Steve Hammond. Tim did a little background on the breed, and introduced the dogs to the group. Tim was his usual self in doing the narrating as Casie put Argo thru his show routine, all eyes were on Argo.

Next up was Casie and Molly for a little demonstration in obedience training which went off without a hitch. For those not familiar with this program these are boys and girls in the twelve and thirteen year age range. They have a lot of different programs they go thru in their week of attendance. The programs are all outdoor related (ie. archery, gun safety & shooting, fishing, rock climbing, bird dog demo, etc.). All this is done while being a member of team. There were four teams with 35-40 kids each. Discipline is a major issue, with the offending parties often times doing push-ups.

For our demos they combined two groups. We had an hour for each group, to do our thing. Back to the demo, after the obedience and letting some of the spectators try their hand at the show ring with Argo and Chief we moved on to showing some of our training tools.

First off we had a demonstration of the e-collar. Sometimes it is hard to get volunteers for this part, but after a little, alright a lot of pleading we got a couple of boys willing to take one for the team.

Up next was THE WINGER-ZINGER, which was a big hit. Of course any time you throw something thirty feet in the air and into a pond it looks exciting, especially when a dog retrieves it. Pigeons are also another audience grabber. Whether you put one to sleep or launch it from bird launcher it gets attention. Buford on point with Chief and Otter backing was also a big hit, especially when you launch a bird and no dogs move. Even the people in charge are impressed when you pull this off. Like I mentioned before launching bumpers into pond and having different dogs do water retrieves was liked by all.

Last but not least was the duck drag, track around the pond, retrieve back across. Argo executed this, no problem.

All in all it went great again. Next year we need

to get more people and their dogs involved, it is a good time for all. The kids and the adults alike had a good and informative session. Oh did I forget to mention, they feed you and give you free stuff to boot, and you get to show off your dogs. Who could ask for more. I feel it is a worthwhile endeavor for the group to continue with. Hope to see more involvement next year. Our youth are our future. See pictures from this event at the end of this newsletter.
