This is a fun adult team event and costume contest to benefit the Nevada State Spelling Bee program that helps students improve their spelling, increase their vocabularies for higher learning.

HOW DOES THE BEE WORK?

Up to 15 teams of 3 spellers and 5 cheerleaders will work together to spell words and vie for the chance to be dubbed "Best Speller in Las Vegas." Players score team points during three preliminary rounds. The top teams will enter in a sudden death lightning match to spell as many words as possible in 1 minute.
