

Dear Member

School Catering Campaign: Can You Help Us?

UNISON needs your help to get the Council to change its mind about the cuts to your hours.

UNISON has written to the Leader of the Council asking him to meet with us so we can explain to him why the cuts won't work and the effect they will have on you. We would like to hear from you about the impact these cuts will have on you, your family and your school so we can make Councillors aware.

If the Leader agrees to meet with UNISON, then we would like several members of staff, like yourself, to be directly involved in that meeting, so you have the opportunity to tell Councillor Lewis directly how these cuts will not just effect the school kitchens and your ability to continue to provide such a high standard of meals, but also what it will mean to you as an individual. Please email the Branch at branch@unisondc.co.uk or call us on 01629 582266 if you would be interested in coming along.

To put pressure on the Council we have also planned more activities if you can help with any of these please indicate to us below by circling YES or NO;

Leafleting outside your school	YES	NO
Leafleting outside other schools	YES	NO
Writing to Councillors	YES	NO
Speaking to Councillors	YES	NO
Being a UNISON Advocate/Contact at your school	YES	NO
Interested in a Facebook Messenger Forum	YES	NO

If you have any other ideas please write on the reverse of this form;

Please return this from to DERBYSHIRE UNISON, FREEPOST, MATLOCK, DE4 9BR (no stamp required). We have also included an application form which you can pass to a colleague who may not be a member, or alternatively they can join online at www.joinunison.org.
