

St. Luke's to Host Virtual Classes on Advanced Care Planning & Creating a Healthcare Directive

Tuesday, December 15: 4:30 p.m. & 6:30 p.m.
Tuesday, January 12: 4:30 p.m. & 6:30 p.m.

Duluth, Minn. - St. Luke's is providing Northlanders with a chance to learn more about a subject that's important but not always easy to discuss with loved ones.

Starting last Tuesday, November 17, St. Luke's is offering a virtual class on advanced care planning and how to create a healthcare directive. Creating a healthcare directive eases the decision-making process for your loved ones. Plus, it ensures your wishes are respected if you are ever unable to communicate them yourself. Attending one of these classes provides an opportunity to learn about this legal written document and will help you

move forward in creating your own.

This class is offered on different days to make it easier for people to attend. Each class is an hour and a half long, and you only need to attend one class. The class is offered as part of St. Luke's involvement with the Honoring Choice community initiative. St. Luke's Hospice Social Worker Sonja Winder will be leading the classes.

Classes are free, and registration is required to receive a Zoom invitation. To learn more and register, visit slhduluth.com/healthcaredirective.

KBJR 6 to Televis the 2020 Christmas City of the North Parade

In a year where very little has been normal, KBJR's 2020 Christmas City of the North Parade will bring a sense of normalcy back to the Northland. Airing on Friday, November 20th (tonight!) at 6:30 PM, the parade route has moved from Superior Street with Fitger's as a backdrop to Harbor Drive with the iconic William A. Irvin as a backdrop. Floats and vehicles will line up near the DECC and be filmed by KBJR as they pass by the Irvin. To maintain social distancing, some bands and dance groups have been prerecorded, but this has allowed the KBJR 6 production crew to enhance the production value of the parade as a whole, giving

viewers an up close look at these groups.

KBJR 6 General Manager David Jensch says, "Producing the parade is the high point of the year for many of us at KBJR 6. It's been complicated figuring out the new logistics, but we think this will be the best parade yet."

KBJR 6 established COVID-mitigation techniques (masks, etc.) for the parade participants. The parade will be produced for TV only, with no spectators allowed. People will still have access to Pier B and the DECC. KBJR 6 will rebroadcast the parade on Christmas Day at 11:00 AM.
