HAND GRENADES & ATOM BOMBS:
COLD WAR ARMOR ALONG THE IRON CURTAIN
1948 TO 1989

IPMS REGION-12 CONVENTION & AMPS SHOW

Sumter Convention Center
700 West Liberty
Sumter, SC 29150
5 – 9pm Fri, 8am – 5pm Sat
June 21-22, 2013

INCLUDING A NEW "NAKED MODEL" CATEGORY!

Limited to any AFV (or other AMPS qualifying subject) that was used during the Cold War by either NATO or WARSAW PACT forces along the Iron Curtain from the Berlin Blockade, June 1948, to the Fall of the Berlin Wall, November 1989 (i.e., the nationality of the subject must be a member of either – no neutral or non-affiliated European countries).

Our 2013 "**Hand Grenades & Atom Bombs: Cold War Armor Along the Iron Curtain 1948 to 1989**" Annual Show was held on Friday and Saturday, June 21-22, 2013 at the Sumter Convention Center, 700 West Liberty, Sumter, SC 29150. This show was ANOTHER GREAT SUCCESS! We co-hosted our AMPS show with our IPMS Gamecocks friends in conjunction with their IPMS / USA Region-12 Convention. Contact IPMS Gamecocks, Sumter-Shaw-AFB at <http://www.sumter-shawafb-ipms.org/>. The newly renovated Convention Center venue featured over 100 tables for display and 75 vendor tables! And this year, AMPS Central SC had dedicated spaces for Judging and to present the Judges' Training. The new venue was fantastic, and we've already received a lot of complements about this spacious and well-lit facility.

This year, AMPS had 115 models entered for judging with another 20 brought in for "display only." Our IPMS friends had over 300 models entered into their show with another 20 display bringing the entire show to well over 450 models. AMPS had 38 participants and IPMS had 70, bringing the combined show total to over 100 model builders entering and exhibiting their work. This was a fantastic opportunity for AMPS to put its best foot forward and show the entire model-building community in our near region what AMPS is all about. Hopefully, we dispelled a lot of rumors, myths and urban legends about AMPS and its judging and awards systems. We

hope that this exposure will result in more modelers becoming involved in AMPS at both the local and national levels.

AMPS awarded 85 bronze, silver and gold medals in four different skill-levels, juniors, basic, intermediate, and advanced. Additionally, each and every one of the 115 models entered receiving written individual judges' assessments, scoring and narrative comments which were provided to the entrants at the end of the show.

Below is the complete, by name, listing of all the award winners by skill-level and award type for each category. Congratulations to all of our participants and winners!

AMPS Central SC "Wildcats" Complete Show Results: June 21-22, 2013				
Judges' Best in Show – "A Day of R&R", by Tony Zadro
