PROSPECTIVE WAGGING LOUNGE DOG RESORT EMPLOYEE STATEMENT

First, thank you for your interest in wanting to be a pack mate with WAGGING LOUNGE DOG RESORT. Please read the following statement carefully so that we may give you a more realistic view of what working at our facility entails and the demands that are presented by our pet parents and the pet industry. We've found that many applicants don't have a realistic view of what working at a dog daycare & boarding facility is like, and this is a simple letter to give you a brief overview.

We are seeking people who genuinely love animals, are mature, and are ready to take on the responsibilities of the tasks & challenges placed in front of them. Although our main focus is on the interaction and play with our client's dogs, we also feed them, administer medications, see to their comfort & security, and clean up after them. There will be a share of mundane and unpleasant chores that need to be performed by all team members. Poop needs to be picked up, floors will need mopping, trash emptied, waste emptied, and applicants must be able to lift 50lbs. Did we mention that poop will need to be picked up? Lots of poop! This requires a pack leader with maturity, dedication, and hard work. One of our goals to our pack mates is to teach skills and add experience to their time spent with us, as well as trying to make the best use of their previous skills and talents.

We are seeking team members whom are flexible, dependable, and understand that our busiest days fall on holidays, weekends, spring break, and summers. In addition, this business is seasonal in nature, and hours or days may vary. Pets must be cared for 7 days a week so weekends and holidays are a must. We realize that working under these conditions can be difficult for some people, and your dependability is critical in this area. Please note that this is an ill-suited position for any person who is allergic to animal hair/fur or sensitive to chemicals.
