Other Business:

- ❖ Jennifer Blay joined the meeting to discuss a grant that had been passed onto her from the Road Commissioner. She said after carefully reading the details of the grant, she decided it would be to much work for her and the students to accomplish in the short amount of time they have to work on their current project of Gelo Park trails. Jen also gave an update on the current project and showed the Board members pictures of the kids having fun doing the clean up of the trails. She said that she had spoken with Alex Sicotte, he will be donating his time to spread the stay mat on the newly cleared trails as long as the Town is willing to pay for the equipment rental. The Board agreed that this was fair and will be paying the rental fees. For safety purposes the Board said that Alex would also need to also show proof of liability insurance before continuing the project.

- ❖ Alden notified to the other board members that Christina Adams and her husband Troy Adams will be the new Health Officer, and Deputy Health Officer.
