HOW TO DO A HISTORICAL

Portrayal

Ever wanted to bring someone from the past alive? Join award-winning actress and historian Leslie Goddard for a workshop on the basics of creating and presenting a historical portrayal. We'll explore topics ranging from choosing a character and creating a script to body language and voice. You'll leave knowing the basics of how to research, analyze and bring to life a character from the past. No experience is necessary, just a willingness to explore and have fun.
