COVENANTS FOR MAINTENANCE ASSESSMENT

Section 1. Creation of Lien and Personal Obligation of Assessment. The Developer, for each Lot owned by it in Timbers Edge hereby covenants and each Owner of any Lot (by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance) including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association any annual assessments or charges, and any special assessments for capital improvements or major repair; such assessments to be fixed, established and collected from time to time as hereinafter provided. All such assessments, together with interest thereon from the due date at the rate of ten percent (10%) per annum, and cost of collection thereof, including reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot(s) against which each such assessment is made and shall also be the personal obligation of the Owner. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or by abandonment, or otherwise.

Section 2. Purpose of Assessment. The annual and special assessments levied by the Association shall be used exclusively for the purpose of maintaining the Common Area.

Section 3. Annual Assessments. The annual assessment, excluding any special assessment for capital improvements or major repairs, shall be by the Board of Directors of the Association, which shall be determined in accordance with the projected

financial needs of the Association as to which the decision of the Board of Directors of the Association shall be dispositive.

Section 4. Uniform Rate of Assessment. All regular and special assessments shall be at a uniform rate for each Lot in Timbers Edge.

Section 5. Special Assessments for Capital Improvements and Major Repairs. In addition to the annual assessment, the Association may levy in any assessment year a special assessment applicable to that year only for the purpose of defraying in whole or in part the cost of any construction, re-construction, unexpected repair or replacement of a capital improvement as approved by the Board of Directors of the Association, provided that any such assessment shall have the approval of a majority of the Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least ten (10) days in advance, and which shall set forth the purpose of the meeting.

Section 6. Date of Commencement of Annual Assessments: Due Date. The assessments for which provision is herein made shall commence on the first day of the month, or as fixed by the Board of Directors of the Association to be the date of commencement following the sale of a Lot by the Developer to a bonafide Purchaser. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The due date of any assessment shall be fixed in the resolution authorizing such assessment and such assessment shall be payable in advance in monthly, quarterly, semi-annual or annual installments, as determined by the Board of Directors of the Association.

Section 7. Duties of the Board of Directors. The Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against each Lot for each assessment, at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lots and assessments applicable thereto, which shall be kept in the office of the Association and shall be open to inspection by the Owner and the Developer. Written notice of the assessment shall be sent to every Owner and the Developer not later than seven (7) days after fixing the date of assessment thereof. The Association shall, on demand, and for reasonable charge, furnish to any Owner liable for said assessment a certificate in writing signed by an

officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid. The Association shall be entitled to charge a reasonable fee for said certificate.

Section 8. Effect of Non-Payment of Assessment. The Lien, Personal Obligation, Remedies of Association. If any assessment is not paid on the date when due, such assessment shall then become delinquent and shall, together with interest thereon, and the cost of collection thereof including reasonable attorney's fees, become a continuing lien on the Lot(s) against which such assessment is made that shall bind such Lot(s) in the hands of the Owner(s), his heirs, devisees, personal representatives and assigns, and shall also be a continuing personal obligation to the Owner(s) against whom the assessment is levied.

Section 9. Subordination to Lien of Mortgages. The lien of the assessment for which provision is herein made as well as in any other Article of this Declaration shall be subordinate to the lien of any purchase money mortgage, first mortgage to a bank, life insurance company, Federal or State savings and loan association, or real estate investment trust. Such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of foreclosure, and in any other proceeding in lieu of foreclosure of such mortgage. No such sale or transfer or proceeding in lieu of foreclosure shall relieve any Lot(s) from liability of any assessments thereafter becoming due, nor from the lien of any subsequent

assessment. The written opinion of either the Developer or the Association that the lien is subordinate to a mortgage shall be dispositive of any question of subordination.

ARTICLE V

No foundation shall be poured nor shall construction commence in any manner or respect until the layout for the structure is approved by the ARB.

Section 2. Architectural Review Board. The Architectural Review Board shall consist of three (3) members who need not be members of the Association. Section 3. Powers and duties of the ARB. The ARB shall have the following powers and duties:

A. To adopt from time to time modifications and/or amendments to this Declaration. The ARB may review and preapprove preliminary plans of a proposed Owner prior to the submission of plans and specifications from an architect with the final review and approval contingent upon submission of plans and specifications from a licensed architect provided for herein. The ARB may require submission of samples of building and construction materials proposed for use on any Lot and such additional information as reasonably may be necessary for the ARB to completely evaluate the proposed structure or improvement in accordance with this Declaration including but not limited to, a site plan showing location of the buildings and improvements including fences, gas or electric yard light and other structures upon the Lot. The ARB shall encourage the use of natural siding materials, such brick, stone and wood. The use of aluminum, vinyl, plywood,

pressboard or more than 20% wood or other similar materials as siding is prohibited. The ARB may in its sole discretion waive or modify this requirement when the ARB determines that unique architectural features warrant.

C. The ARB shall have the unrestricted right to prevent the building of and to disapprove of any construction plans submitted to it as aforesaid if, in the sole opinion of the ARB:

a. Such construction plans are not in accordance with all of the provisions of this Declaration.

b. If the design, exterior and interior size, exterior shape, exterior construction materials or color scheme of the proposed building or other structure is not in harmony with the adjacent buildings, structures or the character of the Development; or

c. If such construction plans as submitted are incomplete; or

d. If the ARB deems the construction plans or any part thereof or any material used on the exterior of the building to be contrary to the spirit or intent of these conditions and restrictions, or contrary to the interest, welfare, or right of all or any part of the real property, subject hereto, or the Owners thereof, or of the adjacent property Owners, all in the sole and uncontrolled discretion of the ARB; or

e. If the ARB shall, within its sole and unlimited opinion and discretion, deem the construction plans or any part thereof or the building or structure to be unacceptable or of such design or proportions, or to be constructed of such unsuitable materials or exterior color schemes as shall depreciate or adversely affect the values of other sites or buildings in the Development.

f. If the roof lines and/or elevations and/or color scheme are too monotonous when considered in the context of other residences in the Subdivision.

The decisions of the ARB shall be final. Neither the Developer nor any architect or agent of the Developer nor any member of the ARB shall be responsible in any way for any defects in any construction plans submitted, revised or approved in accordance with the foregoing, nor for any structural or other defects in any work done according to such construction plans.

(b) A two-story residence shall contain at least Thirty Two Hundred (3,200) square feet of living space of which at least two thousand (2,000) square feet of living area on the first floor exclusive of garage, breezeway, porches and basement.

No driveway, sidewalk, walkway, private road or drive shall be constructed or allowed to exist on any Lot in the Development unless it shall be surfaced with concrete or brick; provided however, that slabs of stone, exposed aggregate concrete or like materials may be used only upon the express written consent of the ARB.
