Detailed reason for Entrance/Ga hours of operations, and any add	• •		ed on site,
Is application for a contiguous/	multiple landowner use landowi	ner's entrance? Yes	s No
Is application for a District perin	neter property landowner entrar	nce (i.e. S.R. 60)? Yes	s No
What type of gate will be used?			
Gate must include locking devic vehicular and pedestrian traffic.			

Gate must include locking device(s) and appropriate security fencing to prohibit unauthorized vehicular and pedestrian traffic. SJID shall be allowed to put a lock within your lock (preferred) to allow SJID access as necessary, or alternately SJID shall be provided with an adequate number of keys and/or the lock combination.

***Attach detailed drawing(s) for gate denoting type of metal material to be used and any additional drawing for security details.

Gate Location: Gate <u>cannot</u> be placed on SJID property; it <u>must</u> be on the landowner's property. ***Attach map of sufficient detail to this application. Location of the gate must be indicated.

Gates are only to be unlocked to allow authorized traffic immediate ingress or egress.

By signature below, the applicant warrants and represents to SJID that the applicant assumes all risks of loss or damage, and shall save and hold harmless SJID from any expenses, loss, damage, or claim in regard thereto and SJID assumes and shall have no liability in connection therewith including without limitations, attorneys' fees, fines and penalties.
