The POM may change at the discretion of the CO or OIC.

If any parent or cadet is not receiving the monthly POM or other emails, contact ENS Holman at usnscc.tcs@twincitiesseacadets.com

Additional Information

Prospective Cadets - Can visit for a drill weekend to attend a briefing as their “first step”. Briefings are held every drill weekend (0900 – 1100 Saturdays) at the NOSC drill center. If you would like to be our cadet representative at the briefing, and get potential recruiting credit, or have friends who wish to attend; please contact LTJG Jirik, at dajirik@bevcomm.net.

UA/LOA Requests - Absence from Drill/LOA Requests: Any Sqdn member having been “UA” (unexcused absence) for two drills periods (4 drill periods per drill weekend) during the last three months may receive a warning e-mail. A third UA within any three months will result in disenrollment. Any request for a cadet Leave of Absence (LOA) must be made by the cadet PERSONALLY to the cadet's Squad Leader or division LPO and then approved by the CO. Any request for an excused absence by officers from a drill must be approved by the CO. LOA requests for officers also require approval by NHQ.

Correspondence Courses - Several cadets owe correspondence coursework in order to be advanced. *Not doing your coursework not only affects your advancement but it also negatively affects our Squadron on the annual inspection.* All correspondence courses to be graded should be e-mailed to training.twincitiessquadron@gmail.com at least 5 days prior to drill. You must use the answer sheets (NSCTNG 028) located on HomePort under the Administration tab under Training Forms. Your coursework will not be graded unless it is turned in on the correct form. Submit answer sheets one at a time as completed.

Petty Officer Advancement Examinations – Email training.twincitiessquadron@gmail.com at least 4 days prior to drill if you need to take a Petty Officer Advancement exam at drill.

Training Questions? Email training.twincitiessquadron@gmail.com
