

Dear Valued Guests,

APEX Voice Communications will be exhibiting at the **Mobile World Congress** in Barcelona, Spain from February 15th through the 18th in **Booth 2C54** (Dialogic) located on the ground floor of Exhibit Hall 2.

I would like to invite you to visit us as we will be showcasing a **Mobile MultiMedia Portal** running on our **APEX Service Delivery Platform**, which was developed using our **OmniVox3D® SIP Application Server** and **OmniView® Service Creation Environment**. The Mobile MultiMedia Portal will be hosting six services which will be accessible via video-enabled handsets...

- Video Self-Serve Account Control
- Video Banking
- Video Mail
- Video Conferencing
- Rough Guides (Travel)
- Dialogic Corporate Video

If your plans call for attending this year's Mobile World Congress, please contact me as soon as possible so we can schedule a mutually convenient time to meet where you can call into the Mobile MultiMedia Portal and also see our APEX SDP™, OmniVox3D and OmniView platforms.

In addition to what we will be showing in Barcelona, we also offer a full range of solutions for other **voice, video and data enhanced services**, including Network IVR Consolidation, Outbound IVR, SMS, Audio/Video Color Ringback Tone, Automated Collect Calling, Voice Activated Dialing, Prepaid Calling/Re-Charge, USSD Callback, and various Mashups (e.g. click-to-call).

Since 1989, over 250 Network Operators and Value Added Service Providers across 95 countries have relied on APEX to meet the needs of their revenue-generating and mission-critical enhanced services.

Thank you in advance I look forward to hearing from you soon.

Fabio Tylim
