When it comes to fishing the DCBC Classic, Jose Ramos continues steadfast as the undisputed champion the last 3 years while all other anglers reluctantly settled for second place at best. After bragging it up before the tournament, Jose actually looked humble for a fleeting moment, but that quickly faded to "There's no Doubt, I am the Classic Champion" followed by overconfident laughter. Once again Lake Lewisville was no match for Jose 's angling skill giving up two 5-bass limits for first place and the coveted title of 2016 DCBC Classic Champion. For the rest of the club anglers, Lewisville proved challenging and unpredictable from day to day. Jordan Speer found better fish the second day to capture a 2nd place check for the effort, while Mike Aaron held on to a third place finish and some folding money. Scott Eager never gave up capturing 4th place, and Vince Drieling ended up in 5th place. Big Bass winners were Carl Farmer and Scott Eager. Congratulations to the classic winners and many thanks to all our club members for making 2016 a great year.
