

Real Wishes Foundation Volunteers

Why Volunteer?

Consider that most people find themselves in need at some point in their lives. So today you may be the person with the ability to help, but tomorrow you may be the recipient of someone else's volunteer effort.

There are many benefits to volunteering in the community! Here are just a few:

- To give back
- To make a difference
- To create positive change in their community
- To be part of the community
- To meet new people
- To try new things
- To build/enhance their resume
- To work on an issue close to their hearts
- To achieve a feeling of personal satisfaction
- To learn new things
- To help people
- To build character
- To make new contacts
- To do something useful
