Here's one that we really would prefer to keep for ourselves. Her maternal sister MSF Moon Dance is also in this sale for the Andrew's. Without a doubt Moon Dance has won more champions and Best of Shows than any other show llama the past few years. Moonrise has a great personality, silky jet black fiber and great conformation. Her sire is a big black/white paint whose full brother, MSF High Point, is also in this sale. Many at the farm this year have loved Moonrise. She is the type that will immediately grab your attention.
