

BMHSAA SEASONAL SPORTS PROGRAM

Dear Sports Parent,

At the conclusion of each athletic season the BMHS Athletic Association (BMHSAA) assembles a seasonal sports program that contains team photos, Proud Parent pages, as well as local business ads. The program makes a great memento for your student-athlete.

Proceeds from these programs are used to reward and promote our student-athletes. As a non-profit (501c3), parent-run organization we ensure individual student-athletes and teams are recognized and awarded for their sport endeavors. The BMHSAA funds the purchase of all awards, certificates, three-letter jackets, varsity letters, plaques, and pins. Our expenses for these activities totaled over \$40,000 last year!

In addition, the BMHSAA **awards twenty scholarships to graduating seniors each year**. We are pleased to announce that the scholarship amount awarded to each student increased from \$800 in prior years to **\$1000**.

You can help support your student-athlete by contributing to the proud parent page in the program, purchasing a shirt for your athlete, or ordering a program. We offer a Proud Parent Pack that includes all three items for just \$20.00. Individual or additional Program Books (\$10.00) or T-shirts (\$7.00) may also be ordered.

Business ads are also included in the sports program book. Business owner who would like to become a BMHSAA sponsor may fill out the form on the contact us page at www.bmhsaa.org.

A limited number of program books are printed—Place your order now by filling out the form below.

As always, thank you for your continued support!

*****Please complete this form and hand it in to your team sports representative***
(Do not mail to the school)**
