was born in Los Angeles, California, the son of Barbara Wells, a nurse, and director/producer [Garry Marshall](#); he is also the nephew of filmmaker [Penny Marshall](#). His two sisters, Lori and Kathleen, are also in entertainment. Scott had an interest in film since his childhood as his father recalled of his son's early efforts in film "I'd make him a little wooden airplane and he would take it immediately and burn it, and start to film it, flaming, crashing!"
