PRESIDENT'S MESSAGE

GaSCar President's letter, May 2020

Dear Gascarians,

As I sat by the fire pit last evening, I was watching the smoke rise in swirls, tumbling, and moving in all kinds of unusual patterns from the smoldering fire. It reminded me of life today, uncertain of every move, not knowing which way to turn from danger.

As I sat watching the smoke rise, I said a prayer for us all, tossed it in the smoke and watched it rise to heaven.

These are difficult times, that most, if not all of us, have never seen before. I do have confidence that we will make it through to the other side. Then I will look forward to seeing all of you once again.

Continue to keep our members who are not well in your thoughts and prayers as we face a new dimension of life. Pray for our nation and our leaders.

Thank you, Mike, for posting the fall tour photos.

On Mother's Day, we drove to all our close-by daughter's homes in our 1970 Chevelle, (Colleen) to say hello at a distance. I hope all of you moms had a chance to see or talk to your children.

If you have any news that needs to be shared, contact Pat, Mike, Sandra, or myself. Stay Safe. John

Look what showed up in my driveway a couple of weeks ago. No, I didn't buy Gerald's Lincoln. But he did drive it my direction while road testing.

NAME THIS NEWSLETTER

Since I didn't have a rousing response on my request for a newsletter name last month, I'll make another plea. I know some of you are very creative so time to come up with a catchy name for our monthly newsletter. So put your thinking cap on and see if you can come up with a spiffy name. Just send your name recommendations to me and we'll see if the board can make a decision on one. Mike
