

Knight Scholar™

Knowledge-Networking-Innovation Graduate Health-System Training

Application Process

Students interested in the Knight Scholar program must email the following to dabazia@pharmacy.rutgers.edu by **November 23, 2016**:

- Letter of intent detailing reasons for Knight Scholar interest
 - **Please rank in order of preference the top three programs of which you have interest in your letter**
- Curriculum Vitae or resume
- Current transcripts (unofficial is acceptable)

The total number of Knight Scholar positions is limited by rotation availability and available resources. To ensure fairness and equanimity, students will rank in order of preference, the three Knight Scholar sites in which they wish to participate. If the number of students who rank a particular site exceeds the number of open slots, the student will move into his/her next ranked site. Ernest Mario School of Pharmacy faculty and site preceptors will review the above documents and organize interviews during the week of **November 28, 2016**.

Requirements

- Students who choose to participate in the Knight Scholar must have a GPA of 3.0 or higher.
- Students choosing to participate in the Knight Scholar program are expected to complete four cycles at one site between cycles 1 – 5. One summer cycle may be taken off depending on preceptor availability.
