## Our Mission

Our goal is to inspire confidence and promote enthusiasm for learning, focused most on those students at risk for academic underperformance.

Our camp provides an active, hands-on learning experience, using innovative curriculum and dynamic child-centered teaching, based on teaching principles currently used at Bullis Charter school (BCS).

BCS is a California Distinguished public school and currently one of the top performing charter schools in the state of California.

Bullis Boosters Camp is a volunteer organization funded by private donations.

## Campers

Bullis Boosters Summer Bridge Camp is a summer program targeted at incoming 2<sup>nd</sup>- 6<sup>th</sup> graders from Mountain View and Los Altos, CA who are English Language Learners.

Our hope is to provide a "boost" for campers by providing a fun summer program with academic components, bridging former grade level learning with the upcoming academic year. This will be our fourth year offering this camp.
