## **70TH GENERATION BLOOD MOON**

The purpose of this illustration is to show the celestial configuration for the Central Blood Moon on July 27, 2018. This particular Blood Moon is called a Bull's Eye eclipses here to be cause the moon passes nearly through the center of the Earth's shadow parameters. A timeline will show the Triad or the 3 Blood Moon eclipses for the year 2018 alone with the solar eclipses. The major Feasts of YHVH will be noted on the timeline for possible prophetic context. What is interesting is that in the whole time span of 2018, there are no total solar eclipses. Moreover there will be precisely 4 partial solar eclipses. These are synchronized to the Blood Moon to start on January 31, 2018 and the last one just before the end of the 3<sup>rd</sup> Blood Moon to start on January 31, 2018, there are synchronized to the Blood Moon to start on January 31, 2018 and the last one just before the end of the 3 re synchronized to the Blood Moon to start on January 31, 2018 and the last one just before the end of the 3 re synchronized to the Blood Moon to start on January 31, 2018 and the last one just before the end of the 3 re synchronized to the Blood Moon to start on January 31, 2018 and the last one just before the end of the 3 re synchronized to the Blood Moon to start on January 31, 2018 and the last one just before the end of the 3 re synchronized to the Blood Moon to start on January 31, 2018 and the last one just before the end of the 3 re synchronized to the Blood Moon to start on January 31, 2018 and the last one just before the end of the 3 re synchronized to the Blood Moon to start on January 31, 2018 and the last one just before the end of the 3 re synchronized to the Blood Moon to start on January 31, 2018 and the last one just before the end of the 3 re synchronized to the Blood Moon to start on January 31, 2018 and the synchronized to the Blood Moon to start on January 31, 2018 and the synchronized to the Blood Moon to start on January 31, 2018 and the synchronized to the Blood Moon to start on January 31, 2018 and the synchronized to the Blood Moon to start on January 31, 2018 and the synchronized to the Blood Moon to start on January 31, 2018 and the synchronized to the Blood Moon to start on January 31, 2018 and the synchronized to the Blood Moon to start on January 31, 2018 and the synchronized to the Blood Moon to start on January 31, 2018 and the synchronized to the Blood Moon to start on January 31, 2018 and the synchronized Blood Moon is flanked by 2 of the partial solar eclipse, one before and one after less than a month from the Blood Moon. What is unique about this eclipse is that it is and end to the 'bookmark' to the June 15, 2011 Bull's Eye Blood Moon. What is unique about this eclipse is that it is and end to the 'bookmark' to the June 15, 2011 Bull's Eye Blood Moon. The span since then has been just over 7 years. Is this timeframe signaling the possible duration of the coming Tribulation period? Many that have observed this unique Blood Moon eclipse realize that it is the 2<sup>nd</sup> and center eclipse of 3 Blood Moon eclipse in 2018, thus a Triad is the next major celestial configuration aside from the 2014-15 Tetrad that concluded in September 28, 2015. If there is any Biblical prophetic nuance to be revealed, that is to be still determined. Others are focusing on the Revelation Virgo sign that occurs in September 28, 2017.

Jan 31, 2018 to Jan 20, 2019 = 354 day or 11m 20d (50 weeks as in Pentecost – Jubilee pattern)

What is also unique about the Bull's Eye Central Blood Moon is that it will occur in the constellation of Capricorn near the throat area. As many celestial researchers attest to, a Blood Moon is an bad omen for Israel. If this is the case, then this time could see a profound beginning of a 'slaughter' as the Blood Moon near the throat of Capricorn, the Goat would see as its throat being slit and bleeding out like a slaughter of a sacrifice upon an altar. Could this time thus correlate to the time the AntiChrist that may very well be on the scene at that time issue to have the Temple sacrifices halted and begins the wholesale slaughter of the Jews and Christian's that come to commitment to Jesus after the Rapture?
